TEMPLATE PACK

7 fill-in-the-blank templates to write, format, and launch your 40-page eBook — even if you've never written a word.

by Terrance Gee

"Write the vision and make it plain." — Habakkuk 2:2

WELCOME TO YOUR TEMPLATE PACK

These 7 templates are your unfair advantage. While everyone else is staring at a blank page, you're filling in blanks. Every template in here was built directly from the framework in *How to Write a 40-Page eBook* — so they work together like a system, not random tools.

What's Inside:

ID	Template Name	From Chapter
T-01	One-Sentence Book Pitch Template	Chapter 2
T-02	12-Chapter Mixtape Outline Template	Chapter 4
T-03	Chapter Writing Framework Template	Chapter 5
T-04	Storytelling Formula Template	Chapter 6
T-05	Faith Factor Integration Template	Chapter 7
T-06	Book Description & Amazon KDP Template	Chapter 10
T-07	Launch Week Content Calendar Template	Chapter 11

How to use this pack: Work through the templates in order. Complete T-01 first — your one-sentence pitch is the foundation everything else builds on. Don't skip ahead.

T-01 | ONE-SENTENCE BOOK PITCH

From Chapter 2: "If you can't explain your book idea in one sentence, it's too complicated. TikTok generation. Attention spans are short. Keep it simple."

Fill in the blanks:

My book is for	
who struggle with	
My book helps them	
so they can	
unlike other books, mine	

Now combine it into one sentence:

EXAMPLE: My book is for young adults who struggle with finding their voice. My book helps them turn their story into a published eBook so they can build income and leave a legacy — unlike other books, mine combines faith, hustle, and practical steps in 40 pages or less.

T-02 | 12-CHAPTER MIXTAPE OUTLINE

From Chapter 4: "Think of your eBook like a mixtape. Each chapter = a track. The whole book = the album. Some tracks will be hype, some chill, some deep — but they all work together to tell your story."

T-03 | CHAPTER WRITING FRAMEWORK

From Chapter 5: "Flow = Voice + Clarity + Spirit. Write how you talk — raw, real, and unfiltered. Mix story + scripture. That's flow."

Use this framework for EVERY chapter. Fill it in before you write a single sentence. Copy this page for each chapter.

CHAPTER NUMBER & TITLE

HOOK — First 2 sentences that grab attention

STORY — Real personal moment that relates to this chapter's lesson

LESSON — The main thing you want the reader to learn or feel

SCRIPTURE or FAITH PRINCIPLE — The verse or God-principle that backs it

HUMOR BREAK — A funny line, analogy, or cultural reference

ACTION STEP — One thing the reader can do TODAY because of this chapter

CLOSING LINE — The sentence that makes them want to read the next chapter

T-04 | STORYTELLING FORMULA

From Chapter 6: "Every story should have 3 parts: Set the Scene — The Struggle — The Shift. Make readers lean in like they're binge-watching Netflix."

Use this template to write the personal story for any chapter. Real stories make readers say 'me too' — that's what creates connection.

PART 1 — SET THE SCENE

Where were you? What time of day? What were you feeling? (Make it visual — put the reader in the room with you.)

PART 2 — THE STRUGGLE

What went wrong? What was the lowest moment? (Be real. Vulnerability is powerful. The mess is the message.)

PART 3 — THE SHIFT

What changed? How did God show up? What did you learn? (This is the transformation — the reason you're telling this story.)

THE TWEETABLE LINE

Write ONE sentence from this story that someone could screenshot and post. Example: 'Your scars are receipts — proof God paid the bill.'

T-05 | FAITH FACTOR INTEGRATION

From Chapter 7: "Culture changes every month. The Word? That's forever. Don't just preach — share. Your testimony isn't for you. It's for the person who's one chapter away from giving up."

SCRIPTURE FOR THIS CHAPTER

Find the verse that ties directly to your chapter's lesson. Write it here — then write it in your own words below.

YOUR TESTIMONY TIE-IN

How did this scripture show up in your actual life? (Story + verse + lesson = impact)

RELATABLE (NOT CHURCHY) TRANSLATION

Rewrite the faith principle in language your reader would use. Not 'according to the Pauline epistles' — talk like a person.

TRANSFORMATION QUESTION

At the end of this chapter, ask: Did I move the reader from _____ to _____? (e.g., hopeless → hopeful, lost → found, confused → clear)

T-06 | BOOK DESCRIPTION + KDP TEMPLATE

From Chapter 10: "Write a description that sounds like YOU. Use storytelling + keywords. This is your pitch to a stranger scrolling Amazon at 11pm."

BOOK TITLE (exact)

SUBTITLE (optional — adds SEO keywords)

AUTHOR NAME

DESCRIPTION — Opening Hook (first 2 sentences must grab attention)

DESCRIPTION — Problem You Solve (what pain does your reader have?)

DESCRIPTION — What They'll Learn (3-5 bullet points)

DESCRIPTION — Call to Action (end with 'Grab your copy now')

KEYWORDS (7 max — think what your reader searches on Amazon)

CATEGORIES (choose 2 — e.g., Christian Living, Self-Help, Young Adult)

PRICE (\$2.99–\$9.99 recommended for Kindle)

T-07 | LAUNCH WEEK CONTENT CALENDAR
