

AI Automation Quick Start Guide

Your First \$100 in 24 Hours

Hour 1: Setup

- 1. Create Facebook account (if needed)
- 2. Join 3-5 local business groups
- 3. Set up Google Drive folder for templates
- 4. Install Telegram app

Hour 2: First Post

- 1. Choose a service you can offer
- 2. Use Template #1 from the pack
- 3. Post in 2-3 groups
- 4. Turn on notifications

Hour 3: First DMs

- 1. Find 10 people who might need help
- 2. Use DM Template #1
- 3. Send personalized messages
- 4. Track responses in spreadsheet

Hour 4: First Client

- 1. Qualify leads (budget, timeline, need)
- 2. Use Pricing Template for quote
- 3. Send Stripe payment link
- 4. Celebrate your first \$100!

Daily System

- Morning (9 AM): Post + 10 DMs
- Afternoon (2 PM): Follow-ups + delivery
- Evening (7 PM): Review + planning
- Total time: 30 minutes/day
